Schools...

are very important for our future,

deserve the best.

To bring the state of art solutions to those that are the most precious to us.

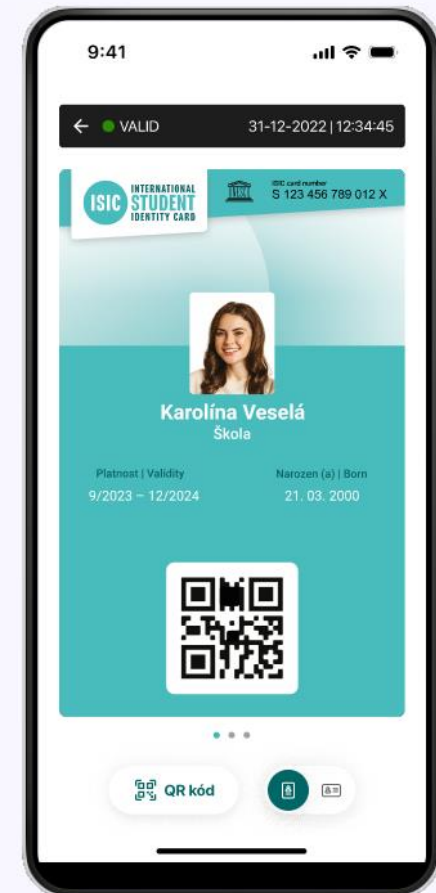

LEGIC Connect integration

- Students are mobile first, we have the Alive App
 - Secure, fast, reliable and proven technology for AliveApp Key (LEGIC)
 - What readers do we need? Elatec/Sesamsec with LEGIC 6300

AliveApp Key

- School has control over credentials (and access rights too)
- 1) Student has rights to use AliveApp Key
 - 2) An onboarding e-mail is sent out
 - 3) Student downloads the app and verifies himself (can be skipped)
 - 4) Legal consents and LEGIC neon file is delivered
 - 5) Student can open doors and access services
